Argonne Eco Resort

Experience 25,000 square meters,
Of natural, and magical landscape

The New Resort Experience in a Protected Nature Reserve: The Spirit of Argonne Eco Resort. Explore a unique destination inspired by the essence of this preserved French landscape. Our philosophy is rooted in holistic well-being, connecting you to nature, and balancing adventure and discovery with peace and tranquility.

The Resort

Experience Nature's Tranquility The Landscape of Luxury

Set in a nature reserve, all elements and buildings of Argonne Eco Resort are inspired by the surrounding scenic landscape. Boasting a strong wellness philosophy, the complex attracts savvy investors and individuals seeking a tranquil and laid-back way of life near the forest, where living standards are high, and there is potential for meaningful returns.

THE GREAT Outdoors

Exploring the Wonders
of the Forest

At Argonne Eco Resort, we do not take nature for granted. Perched on a tranquil 23,000 square meters, amidst the beautiful protected French landscape of Ste-Ménehould, we want our guests to enjoy everything that Mother Nature and the surrounding landscape have to offer.

RESORT

The overall effect “Understated luxury that lets the free-flowing spaces speak for themselves.”

Guided by the surrounding landscape, woods, and deer, residences were conceived to be light-filled and energizing. Many windows are dual-aspect and full-height, dramatically framing spellbinding vistas.

Inside each house, the style centers on high-quality fixtures and finishes, natural materials, and warm neutral tones.
